## REQUEST FOR RELIGIOUS EXEMPTION TO IMMUNIZATION FORM PARENT/GUARDIAN STATEMENT

Name of Student
Identification Number
Name of Parent(s)/Guardian(s)
School District and Building Name
This form is for your use in applying for a religious exemption to Public Health Law immunization requirements for your child. Its purpose is to establish the religious basis for your request since the State permits exemptions on the basis of a sincere religious belief. Philosophical, political, scientific, or sociological objections to immunization do not justify an exemption under Department of Health regulation 10 NYCRR, Section 66-1.3 (d), which requires the submission of:
A written and signed statement from the parent, parents, or guardian of such child, stating that the parent, parents or guardian objects to their child's immunization due to sincere and genuine religious beliefs which prohibit the immunization of their child in which case the principal or person in charge may require supporting documents.
In the area provided below, please write your statement. The statement must address all of the following elements:
<ul> <li>Explain in your own words why you are requesting this religious exemption.</li> </ul>
<ul> <li>Describe the religious principles that guide your objection to immunization.</li> </ul>
<ul> <li>Indicate whether you are opposed to all immunizations, and if not, the religious basis that prohibits particular immunizations.</li> </ul>
You may attach to this form additional written pages or other supporting materials if you so choose.
Examples of such materials are listed on page 3.

## SECTION BELOW FOR <u>SCHOOL DISTRICT</u> USE ONLY

To the Building Principal:

If, after review of the parental statement, questions remain about the existence of a sincerely held religious belief, Department of Health regulation [10 NYCRR, Section 66-1.3(d)] permits the principal to request supporting documents. Some examples include:

- A letter from an authorized representative of the church, temple, religious institution, etc. attended by the parent/guardian, literature from the church, temple, religious institution, etc. explaining doctrine/beliefs that prohibit immunization (Note: Parents/guardians need not necessarily be a member of an organized religion or religious institution to obtain a religious exemption);
- Other writings or sources upon which the parent/guardian relied in formulating religious beliefs that prohibit immunization;
- A copy of any parental/guardian statements to healthcare providers or school district officials in a district of prior residence explaining the religious basis for refusing immunization;
- Any documents or other information the parent/guardian may be willing to provide that reflect
  a sincerely held religious objection to immunization (for example: disclosure of whether
  parent/guardian or other children have been immunized, parent/guardian's current position on
  allowing himself or herself or his or her children to receive or refuse other kinds of medical
  treatment.)
